

UUFRC Covenant of Right Relations

We, the members of the Unitarian Universalist Fellowship of Raleigh, hereby covenant to:

- Value what unites us over those things that divide us.
- Practice patience, listen carefully, and speak our truth with compassion.
- Hold ourselves accountable for our actions and commitments, and assume good intentions on the part of others.
- Reflect carefully about the potential results of our words and actions before we express ourselves.
- Respect and support those we have chosen to lead us – our elected leaders, our called ministers, and our professional staff.
- When differences arise, speak directly, with kindness and respect, to those with whom we disagree and not gossip about others.
